SUBJECT: Public Participation Plan

PURPOSE

To adopt the updated Public Participation Plan.

Summary:

- TRPC values public participation, recognizing that engaging a diversity of results in plans and programs that better serve the region's people. Both regulation and best practices call for regular review of the Public Participation Plan – to recommit to our goals and to reflect new technologies and strategies for engaging the public. This update reflects changes set forth in federal and state guidance and lessons learned in our on-the-ground work with the community.
- At its September meeting, the Council reviewed the draft Plan and suggested several changes, which have been incorporated into the draft.
- The Plan is out for a 45-day public comment period, which closes on November 28. No comments have been received as of this date. We will update the Council if we do receive comments between now and the meeting.
- To conserve paper and reduce mailing costs, the draft plan can be accessed online: www.trpc.org/DocumentCenter/View/3216
