Things You Should Know

Fares

The fare is \$1.00 per one-way trip. RT accepts Intercity Transit, Twin Transit, Orca and STAR (State Agency Rider) passes. **Veterans, active duty military personnel, and children under the age of 5 ride free.**

Hours and Holidays

RT operates from approximately 6:00 am to 6:00 pm Monday through Friday on most routes.

RT is closed for holidays on the 4th of July, Memorial Day, Labor Day, New Year's Day, Thanksgiving Day, and Christmas Day.

Bad Weather and Winter Trips

Please check the website at www.thurstonRT.org or call 1.800.650.7846 to check for delays due to snow and other inclement weather. Note that vehicles may be delayed or rerouted to keep everyone safe. Also, check with all transit agencies you will use for your trip, as each provider makes independent inclement weather decisions.

When traveling during the winter months, please dress warmly and be prepared for delays. Wear bright reflective clothing to keep yourself safe.

Accessible Services

All vehicles are accessible for persons using wheelchairs and other mobility devices. We also provide complementary Paratransit service within $\frac{3}{4}$ mile of our regular routes.

Bike & Ride

We provide bike racks on all vehicles. Bikes are not allowed inside the vehicle.

- Wait at the bus stop or designated area.
- Have your fare or pass ready and be ready to board when the bus arrives.
- Let other passengers get off the bus before you board.
- Allow people using wheelchairs or other mobility devices to board first.
- You can tell the driver if you are a first time passenger or want to get off at a particular stop. Drivers can usually answer your questions.
- Select a seat and sit down. Allow elderly or disabled riders to sit in the front seats.
- Signal the driver about one block before your stop.
- Wait for the bus to come to a complete stop before leaving your seat.
- Be careful when exiting the bus. Once you get off, wait until the bus pulls away before crossing the street. **NEVER CROSS IN FRONT OF THE BUS** – approaching motorists may not see you.

Tips for Riding the Bus

State law (RCW 9.91.025) and RT policy determines appropriate transit behavior. Violators may be banned from service, fined, or arrested. Riders may not:

- Smoke, including tobacco, electronic cigarettes, and marijuana.
- Consume an alcoholic beverage, carry an open alcoholic beverage, or be intoxicated.
- Discard litter, other than in designated receptacles. Dump or discard any materials at a transit stop, including hazardous materials or automotive fluids. Carry any dangerous materials on the vehicle.
- Carry a firearm in a way that causes alarm. This does not prevent a passenger from carrying a firearm or ammunition in a way that is not otherwise prohibited by law.
- Refuse to pay the appropriate fare.
- Board without wearing a shirt or shoes.
- Harass drivers or other passengers.
- Disturb others by engaging in loud, raucous, unruly, harmful, threatening or harassing behavior, including the use of profanity.
- Play music/other audio that can be heard by others (headphones are allowed).
- Sleep, lie down, or use more than one seat.
- Deface or damage property.
- Refuse to move from seats designated for persons using wheelchairs.
- Obstruct or impede the flow of transit vehicles or passenger traffic.
- Engage in gambling or games of chance for the winning of money or anything of value.

Animals

RT allows service animals on all buses. Washington State Law states that a service animal "is an animal that is trained for the purpose of assisting or accommodating a sensory, mental, or physical disability of a person with a disability." (RCW 49.60.40(24)).

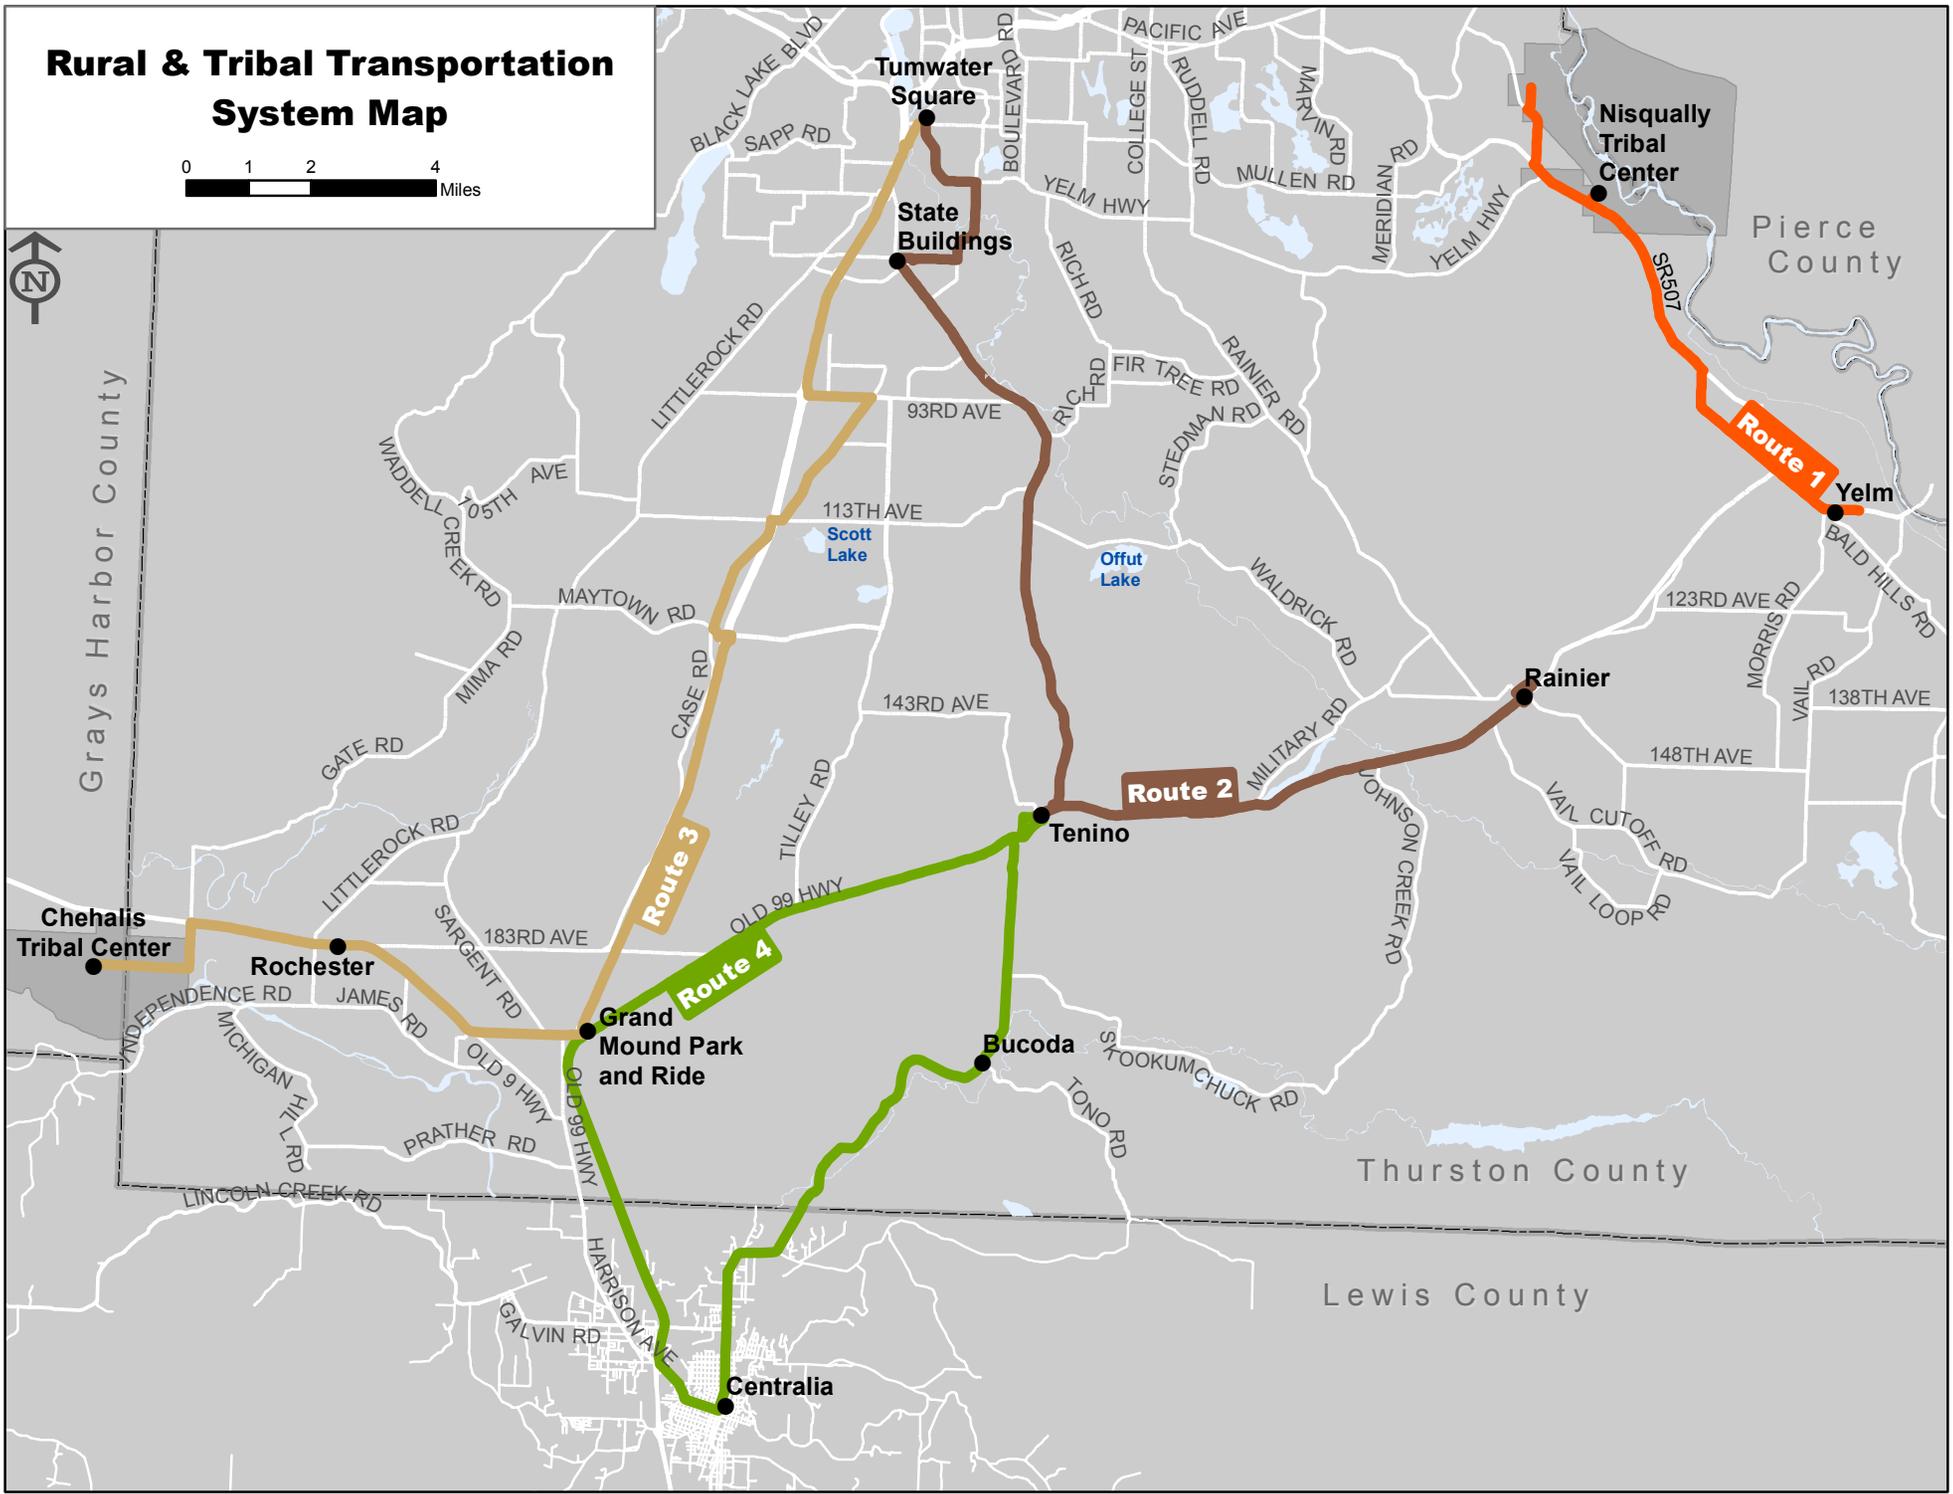

Pets may also be allowed, if in an enclosed carrier, controlled by the rider at all times, and at the discretion of the driver. Not all transportation services allow pets, so check if you plan to transfer to other systems.

Strollers

Collapsible strollers are allowed on the vehicle, and must be controlled by an adult at all times.

Planning Your Trip

How to Read the Schedule/Timetable

Look at the maps and determine where you want to go. Call Customer Service at 1.800.650.7846 for assistance.

The numbers across the top of the timetable show the name, address and order of stops along the route.

First time users are encouraged to contact customer service to help you find the best route.

Look at the column under each of the stops printed on the schedule. Each stop has a time list underneath to show when the bus arrives at that stop. Times are listed with the earliest time the bus stops at the top of the schedule and the latest time at the bottom.

Example: You want to go from Rainier to the State Office Buildings in Tumwater by 7:00 am.

- 1 Find the Route Map that includes the locations you are traveling between.
- 2 Find your starting point on the map. In this case, Rainier **is timepoint 1** on **Route 2**.
- 3 Find your destination on the map, then locate the corresponding timepoint name at the top of the timetable. In this case, the State Office Buildings in Tumwater **is timepoint 4**.
- 4 Look on the **schedule** for your destination and preferred arrival time. A bus arrives at **timepoint 4** in Tumwater at 6:59 am. To arrive on time, you must catch the bus in Rainier at 6:00 am.

Additional note:

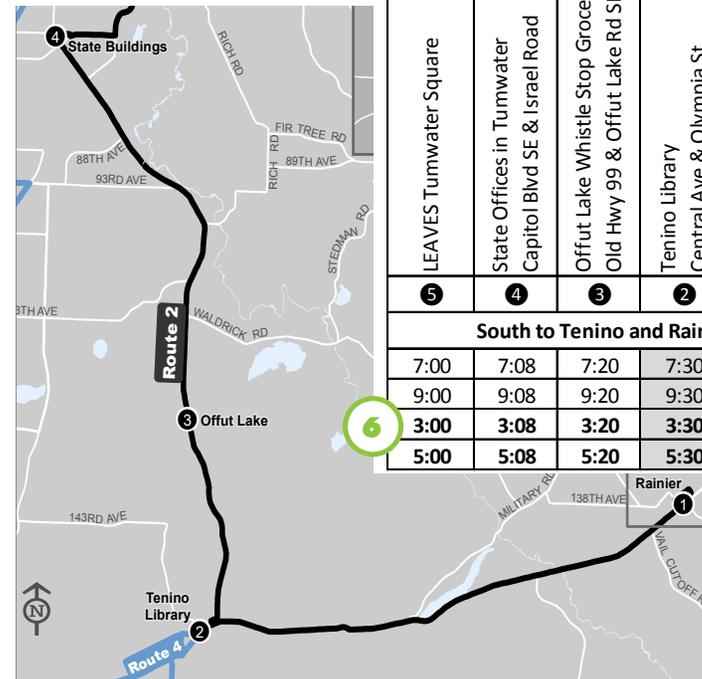

- The morning routes (5) are in plain type and the afternoon routes (6) are in bold.

Tip: Reading left to right follows the flow of the bus along the route. Reading down a column shows all the buses that come to a specific location during the day.
