MEMORANDUM

TO: Thurston Regional Planning Council

FROM: Karen M. Parkhurst, Program & Policy Director *KMP*

DATE: December 30, 2016

SUBJECT: Regional Coordinated Public Transit and Human Services Transportation Plan for the Thurston Region Updated Project List

	Program Area	Mission Statement
X	MPO/RTPO	A
	Core Services	
	Contract Services	
	Grant Services	

PURPOSE

To adopt the Prioritized Project List for the Regional Coordinated Transportation Plan and amend the Plan to include the Project List.

Summary:

- TRPC coordinates rural and special needs transportation efforts in the Thurston Region. These activities include developing and maintaining regional plans, working with regional partners, and implementing services.
- To meet federal requirements, the Region must adopt and maintain a Regional Coordinated Public Transit and Human Services Transportation Plan.
- In addition to other required sections, the Plan must include a prioritized project list. Adoption of this list makes projects eligible for funding under the WSDOT Consolidated Grant Program.
- This list also includes unranked projects, which provide valuable service to the region, but have not applied for grant funding through WSDOT's Consolidated Grant Program. Having these on the list, however, recognizes their importance to the region and may position them for other funding sources.
