

SAVE MONEY

ON YOUR COMMUTE

VANPOOL

INSTEAD OF DRIVING YOUR CAR

The average cost of regular gas in Washington State is \$4.73*.

If you vanpool with Intercity Transit, **we provide your gas.**

The average cost of owning a new car is \$9,666 a year or \$805.50 per month.

If you vanpool with Intercity Transit, **we provide the van, insurance and maintenance,** allowing you to save on the cost of owning your personal vehicle.

Try vanpooling and see how much you can save.
There's no risk - your first month is free!
