# HELP!

- Introductions
- Agendas
- In your community, who knows the needs?

# Goals

- Increase mobility options.
- Improve individual service.
- Increase coordination with other systems and programs.
- Improve efficiency.
- Identify and obtain sustainable funding to close gaps.
- Broadly distribute information about available transportation options.
- Options that don't involve travel: telework, telemedicine, online public services, tele-education...BROADBAND???
