MEMORANDUM

TO: Transportation Policy Board

FROM: Marc Daily, Executive Director, TRPC

DATE: December 1, 2021

SUBJECT: Future of Logistics and Next Steps for Autonomous Vehicles

PURPOSE

Brief the Board on key takeaways from the Washington State Transportation Commission’s October meeting regarding the future of logistics and automated transportation.

Summary:

- Both the Council and Transportation Policy Board have emphasized the importance of the organization staying abreast of the latest information on the future of transportation with a specific emphasis on automation in transportation.
- The Washington State Transportation Commission spent their entire two-day meeting in October devoted to issues of freight movement and automated transportation.
- There was a great deal of pertinent information presented. Executive Director, Marc Daily, will discuss some highlights and takeaways.

REQUESTED ACTION

No action. Information and discussion related to automated transportation, an area of emphasis for both the Council, and the Transportation Policy Board.
